

Funding and Information: Small businesses

Updated: March 2013

Introduction

This guide aims to outline and signpost possible sources of support available to new and existing businesses in Wales.

Welsh Government Assistance

business.wales.gov.uk

The Welsh Government's self-titled business.wales.gov.uk website is the main source of information for businesses seeking support from the Welsh Government. The website outlines the **business support** the Welsh Government provides for new start up and existing businesses in Wales, as well as providing information on the **repayable business finance** (loans) available from the Welsh Government.

The website also contains a '**business support finder**' function which allows businesses to search for alternative sources of grants and finance. Further information is available via the **business.wales.gov.uk website**.

Alternatively further information can be obtained by contacting **0300 060 3000** or **businesssupport@wales.gsi.gov.uk**.

Finance Wales

Finance Wales provides commercial investments in SMEs throughout Wales. Finance Wales is a subsidiary of the Welsh Government and has made more than 2,000 investments in Wales-based businesses.

Information about the commercial funding which Finance Wales provides to small and medium-sized businesses is available on the **Finance Wales website** or by contacting **0800 587 4140**.

Communities 2.0

Communities 2.0 is a Welsh Government programme which offers financial assistance and free support to new ICT micro-enterprises.

The service aims to provide support to entrepreneurs looking to start a new micro-business where ICT is fundamental. Support is available in North and West Wales, the South Wales Valleys, Bridgend, Neath Port Talbot and Swansea. Applicants need to be based in one of these areas to be eligible for help.

The programme can provide a comprehensive ICT review, with recommendations on the technology required by micro-businesses and specific staff training needs. Entrepreneurs may also be eligible to receive financial support to buy essential equipment or undertake specific ICT training.
