Regulation 2 provides that these Regulations apply to establishments which supply takeaway food.

Regulation 3 sets out what food operators must do to promote their food hygiene rating and provides what must be displayed on their printed publicity materials.

Regulation 4 provides that where food operators choose to display a food hygiene rating on their printed publicity materials in addition to the statement it is required to display, that rating must comply with the requirements of regulation 4(2) and Schedule 1.

Regulation 5 makes it an offence for a food business establishment operator to fail to comply with the requirements of regulations 3 and 4(2).

Regulation 6 provides that where a body corporate (such as a company, or any other body incorporated by statute) commits an offence under the Regulations, a director, manager or secretary of that body (or anyone purporting to act in any such capacity) will also be guilty of an offence in circumstances where they are found to be personally culpable.

Regulation 7 provides that food authorities may enforce these Regulations and regulation 8 provides a power of entry and seizure of documents to authorised officers of food authorities to enforce the Regulations.

An authorised officer may offer that person the opportunity to discharge any liability to conviction for the offence by payment of a fixed penalty. If the fixed penalty is not paid, the food authority retains the power to prosecute. This regulation also introduces Schedule 2.

Part 2 of Schedule 2 makes provision in relation to the form and content of fixed penalty notices.

Regulation 11 provides that food authorities must use the receipts it receives from fixed penalties for enforcing food hygiene in Wales.

Regulation 12 prescribes information that a food authority must send to the operator of a food business establishment.
