To all Assembly Members

5 March 2014

Dear Assembly Member

During Plenary on 18 February a query was raised about the school crossing campaign on the A483 at Builth Wells and the consultation on safe routes to schools policy.

The consultation on guidance for the risk assessment of walked routes to school took place between 18 November 2013 and 7 February 2014. We are currently considering the consultation responses and I will announce the outcome shortly.

In terms of the school crossing campaign on the A483 at Builth Wells, we have not received any requests for a crossing. However, we have undertaken a number of traffic calming measures at this section of trunk road, including enhanced signing, school crossing signs and road markings.
