Dear Adam

I am writing to you following our discussion in Plenary on 10 October regarding the two companies in Ammanford that specialise in Graphene.

Officials from the Advanced Materials & Manufacturing and ICT Sectors have been working with both companies, Haydale and Perpetuu. They have explored opportunities to assist business growth with support for innovation and capital investment for expansion project. There has also been support offered for skills development and international trade development.

I would be happy for them to meet again with officials and I ask that you direct them to Iain Willox, Head of Business Development in the Advanced Materials & Manufacturing Sector. They can contact him by email Iain.Willox@gov.wales or telephone 0300 061 5936.

Yours sincerely
