Dear Suzy

During the Plenary session held on 9 May in relation to OAQ 52123, you asked for information on the number of air source heat pumps and ground source heat pumps installed by the Welsh Government's funded Nest scheme and Arbed projects.

Under Arbed 1 which operated from 2009-2011, there were 90 air source heat pumps installed. Since then there have been different priorities which has influenced the agreed measures to be installed for subsequent Arbed projects. The recently awarded Arbed 3 scheme manager contact will run for 3 years and ASHP is listed as one of the agreed measures which can be installed at a property.

For Nest there have been 243 air source heat pump installs over the period 2011-2017. Below is a table which shows the number installed by Local Authority.

Local Authority	No. ASHP
Anglesey	26
Blaenau Gwent	2
Bridgend	2
Caerphilly	1
Cardiff	1
Carmarthenshire	17
Ceredigion	33
