Dear John,

I am writing to you following your exchange with the Minister for Economy and Transport in Plenary on 8 May, regarding the 20mph Task and Finish Group.

The Draft Project Initiation Document (PID), which provides the foundation for the starting up of the project and includes Project Organisation, Project Goals, Scope, Stakeholders, Risks, Project Controls etc. is currently being developed by my officials.

Once this exercise has been undertaken and agreed with the Taskforce Group, I will be writing to all Members highlighting the remit and time frame of the work by the group.

Yours sincerely
